Board Communication and Other Items

No regular president responses to any action items or public comments were made.

Director Howe passed on board communication.

Director Henrikson will be a presenter at the annual WSSDA conference and liked the new look of the agenda. It will be even better when the links are working.

Director Stoffer thanked Maria Seabolt for her assistance with recent technology items as well as her hard work over the summer with the district technology needs. Information regarding WSSDA session for board candidates was shared as well as legislative, ESSA, and EDC updates from meetings Director Stoffer attended.

Vice President Kuh thanked board candidates and Student Representative Damon Little for their presence at the meeting. A town hall listening session by Derek Kilmer will be taking place at Peninsula College Little Theatre on August 8th at 5:30pm. Vice President Kuh asked permission from President Short to stop the world for a moment to honor and remember Sequim High School student Robbie Street who was recently killed in a tragic accident while vacationing with his family in Colorado. Vice President Kuh wanted to extend his thanks to the school district staff and Sequim community for reaching out to other students during this time of mourning. Robbie's life mattered, the echo of his life is ever present in this school and community. Vice President Kuh has enjoyed getting to know Robbie through others open sharing.

President Short reminding everyone of the Budget Special meeting coming up on August 17th, and thanked Vice President Kuh for his kind words.

Last meeting's exit slips were not reviewed.

Reports to the Board

Patsene Dashiell presented a Back to School Activities PowerPoint.

Superintendent Neal presented a Strategic Planning Report. Principals will have a chance to review the mission and vision statements before they are finalized. Value statements will be completed and then goals will be assigned by district operations. Every 10 weeks Superintendent Neal will connect with the Strategic Planning group to provide updates of the progress.

The board will not need to approve the strategic plan as it will stay fluid as the district continues to adjust based on feedback and implementation.
