Subject: Wolf den

Hi Donna,

I hope your summer is going well! I tried to swing by Greywolf this past week, but missed open hours. I am heading out on vacation for a week, so I didn't want to put this off. I wanted to talk to you and Krista in person, but email will have to do so you have time to advertise. In July OCS hired me for the summer to organize and run the office ... just until they hired a new secretary. Now they have asked me to come back as a teacher.. and not just for one year like before. So, I am accepting their offer to return to teaching. Sorry... I love Wolf Den and working with you and Krista, but I can't pass this up. It looks to be permanent, so I am excited about that! Let me know if you have questions or need me for anything... I will miss working with you all! Krista is a great teacher/equiper and Donna, you are a great leader. I have so enjoyed you as principal! Thanks for all you have taught me and for your encouragement!

Blessings,

Katie Salmon-Newton
